

FPMA-D050DBLACK

NEWSTAR LCD/LED/TFT DESK MOUNT

The FPMA-D050DBLACK is a LCD/LED/TFT desk mount for 2 screens up to 26" (65 cm).

The NewStar LCD/LED/TFT desk mount, FPMA-D050DBLACK, allows you to screw 2 screens on a desk using a grommet. The screens are mounted back to back. This model allows users to swing, lift, tilt and turn the screen for maximum efficiency and comfort.

Ideal for PoS solutions. Model FPMA-D050DBLACK is suited for 2 screens (max. 26") of each max. 10 kg. Including cable management.

Model FPMA-D050DBLACK can easily be attached to the back of a screen using the universal VESA 75x75 or 100x100 mm hole pattern. If your hole pattern is different, you can use one of our VESA adapter plates.
