Comprehensive Dentistry All in One Location.

Specializing in Cosmetic, Restorative, Periodontal, and Sedation Dentistry.

With a Restorative Dentist and a Periodontist on staff, we're able to provide comprehensive dental care from diagnosis to individualized treatment.

Precision Dental NYC has two private offices one in Bayside and one in Astoria, both located in the heart of Queens. Needless to mention, the offices are state-of-the-art facilities with all modern equipment. Patients don't need to go elsewhere for additional testing. We even have a dental cat-scan available, which makes treatment more accurate and fast.

Every matter is handled with immense professionalism in a timely manner.

If you have any questions for our the best-in-class dental specialists in NYC or would like to schedule an appointment, please call us at (718) 274-2749.
